Proposal Details

Proposal No
SIA/GJ/NCP/68080/2021
Category
INFRA-1
Name of Project
Development of North Side of Bhavnagar (New) Port At Bhavnagar, Gujarat
Plot / Survey/ Khasra No.
Village(s)
Sub-District(s)
State
GUJARAT
District
BHAVNAGAR
MoEF File No
SEIAA/GUJ/ECandCRZ/7(e)/2042/2022
Name of the Entity/
Corporate Office
M/s. Bhavnagar Port Infrastructure Private Limited
Entity's PAN
*****7685H
Entity Name as per PAN
BHAVNAGAR PORT INFRASTRUCTURE PRIVATE LIMITED

Conditions

Specific Conditions

Sr.No.	Condition Heading	Condition Details	Status of Compliance,Remarks / Reason and Supporting Documents	
1	Greenbelt	M/s. Bhavnagar Port infrastructure shall carry out mangrove plantation approx 1000 Hectare area in consultation with concerned Forest Department/Gujarat Ecology Commission within three years and submit detail report periodically to this office with relevant details.	PPs Submission	Condition noted and will be complied with. BPIPL has already executed a Memorandum of Understanding dated 08 May 2023 with the Gujarat Ecology Commission on for undertaking mangrove plantation activities. A copy of the MoU is enclosed as

				Annexure-1. Partially Complied 25-05-2026 Attachment: Click to View
2	Marine/Coastal	Monitoring of ecological sensitive areas shall be monitored on regular basis by IIT Gandhinagar. IIT Gandhinagar shall also carry out periodical monitoring for coastal and marine environment of the proposed project areas. IIT, Gandhinagar shall monitor the construction phase also.	PPs Submission	Condition noted and will be complied with. Monitoring of ecological sensitive areas will be initiated once Project construction activities commence. Agreed to Comply 25-05-2026 Attachment:NA
3	Statutory Compliance	PP shall submit the complete construction plan and adhere to that.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
4	Statutory Compliance	PP shall submit Lease Agreement made between project proponent and GMB to this office.	PPs Submission	Out of the total project land, a lease agreement for 16 hectares of land has been executed with GMB a copy of the same is enclosed as Annexure-2. Further Lease agreements once executed will be submitted in due course. Partially Complied 25-05-2026

				Attachment: Click to View
5	Statutory Compliance	PP shall submit final Approved CRZ map of NCSCM within one /two months period to this office.	PPs Submission	The approved CRZ map of NCSCM has already been submitted, acknowledgment copy of the same is enclosed herewith as Annexure-3 for your ready reference. Complied 25-05-2026 Attachment: Click to View
6	Statutory Compliance	Unit shall store CNG on mobile trailer and obtain PESO permission and submit copy to this Office.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
7	Statutory Compliance	No external Pipeline shall be installed as per submission of Bhavnagar port wide their letter dated 1 August 2022.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
8	Statutory Compliance	Natural gas pipeline will be provided by GSPC only after obtaining necessary permission from competent authority.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
9	Statutory Compliance	PP shall create environment management cell and provide	PPs Submission	Condition noted and will

		adequate fund to manage environment management cell.		be complied with. Agreed to Comply 25-05-2026 Attachment:NA
10	Statutory Compliance	PP shall not disturb any other mangroves and its buffer areas than those 52 Hectare areas proposed to be lost before the GCZMA.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
11	Statutory Compliance	PP shall not carry out any other activity which is not permissible in CRZ notification and comply all conditions of NOC issued by GPCB as well as GMB.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
12	Marine/Coastal	PP shall submit duly signed and stamped report of coastal and marine environment monitoring by IIT, Gandhinagar on time-to-time basis to GCZMA and SEIAA.	PPs Submission	The monitoring by IIT, Gandhinagar will be ensured after the commencement of the port construction at site. Agreed to Comply 25-05-2026 Attachment:NA
13	Statutory Compliance	PP shall submit the management plan of Ecological sensitive areas including biological active mudflats prepared by reputed agency within project areas to GCZMA and adhere to the plan prepared and accordingly manage the biological active mudflats.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

14	Statutory Compliance	PP shall obtain all the approval/NOC from concerned authority/ies as deemed fit for the proposed development.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
15	Statutory Compliance	All necessary permissions from different Government Departments / agencies shall be obtained by the Project Proponent before commencing the expansion activities.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
16	Statutory Compliance	The provisions of the CRZ Notification of 2011 shall be strictly adhered to by Bhavnagar port infrastructure Pvt. Ltd. No activity in contradiction to the provisions of the CRZ Notification shall be carried out by the Bhavnagar port infrastructure Pvt. Ltd.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
17	Statutory Compliance	The Environmental and CRZ clearance to the project is primarily under provisions of EIA Notification, 2006 and CRZ Notification, 2011. lt does not tantamount to approvals/consent/permissions etc. required to be obtained under any other Act Rule/regulation. The Project Proponent is under obligation to obtain approval/clearances under any other Acts/ Regulations or Statutes as applicable to the project.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

18	Statutory Compliance	Bhavnagar port infrastructure Pvt. Ltd. shall obtain prior permission from GMB.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
19	Marine/Coastal	All the recommendations, EMP, mitigation measures, environmental protection measures and safeguards proposed in the EIA report of the project prepared by M/s. Indomer Coastal Hydraulics (P) Ltd. and commitments made during presentation before SEAC and proposed in the EIA report shall be strictly adhered to in letter and spirit by Bhavnagar port infrastructure Pvt. Ltd.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
20	Statutory Compliance	Bhavnagar port infrastructure Pvt. Ltd. shall obtain all necessary permissions from different Government Departments / Agencies before commissioning their activities.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
21	Statutory Compliance	Bhavnagar port infrastructure Pvt. Ltd. shall obtain necessary permission from the Gujarat Maritime Board for marine structure, necessary permission under The Wildlife protection Act, if required, before commencing their activities.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

22	Water Quality Monitoring And Preservation	Bhavnagar port infrastructure Pvt. Ltd. shall ensure that there shall be no discharge of any effluent/sewage into marine environment.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
23	Statutory Compliance	Dredging shall be carried out as and when require as mention in EIA report. All conditions of the CRZ clearance to be followed in letter and spirit.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
24	Waste Management	Disposal of dredged to be generated during maintenance dredging shall be done as per the recommendations of scientific study carried out by Indomer, which is part of EIA report.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
25	Water Quality Monitoring And Preservation	No groundwater shall be tapped to meet with the water requirements during the construction and/or operation phases.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
26	Water Quality Monitoring And Preservation	Bhavnagar port infrastructure Pvt. Ltd. shall ensure that there shall be no damage to the existing mangrove patches near the site and also ensure the free flow of water to avoid damage to the mangrove (If any).	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
27	Greenbelt	Bhavnagar port infrastructure Pvt. Ltd. shall carry out Mangrove plantation as per	PPs Submission	Condition noted and will be complied with.

		MoU with Gujarat Ecology Commission.		BPIPL has already executed a Memorandum of Understanding dated 08 May 2023 with the Gujarat Ecology Commission on for undertaking mangrove plantation activities. A copy of the MoU is enclosed as Annexure-1. Partially Complied 25-05-2026 Attachment: Click to View
28	Water Quality Monitoring And Preservation	Bhavnagar port infrastructure Pvt. Ltd. shall ensure that there shall not be any discharge of pollutants into Sea, Creek etc., which affects the marine water and marine ecology like discharge from barges, accidental spillage of oils from barges etc.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
29	Greenbelt	Bhavnagar port infrastructure Pvt. Ltd. shall take up green belt development activities in propose project premises. Bhavnagar port infrastructure Pvt. Ltd. shall take up mangroves plantation to be suggested in CRZ Clearance in consultation with the Forests Department / GEER Foundation / Gujarat Ecology Commission. A comprehensive plan for this purpose has to be submitted to the Forests and Environment Department SEIAA and MoEF and CC.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

30	Marine/Coastal	Detailed traffic control management plan shall be prepared and its recommendations shall be strictly followed / adhered to in order to reduce adverse impacts and to avoid problems to fishermen.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
31	Waste Management	There shall be no use of any Hazardous chemicals within Jetty area.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
32	Water Quality Monitoring And Preservation	No construction debris and / or any other type of waste / wastewater shall be disposed of in CRZ areas.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
33	Air Quality Monitoring And Preservation	Construction materials and debris shall be properly stored and handled to avoid negative impacts such as air pollution and public nuisances by blocking the roads and public passages. The debris shall be removed from the construction site immediately after the construction is over.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
34	Water Quality Monitoring And Preservation	It shall be ensured that there is no adverse impact on the drainage of the area due to the construction activities.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
35	Waste Management	Solid waste likely to be generated from construction site and labour camps during	PPs Submission	Condition noted and will

		construction phase will be collected and disposed off as per the Solid Waste Management Rules - 2016.		be complied with. Agreed to Comply 25-05-2026 Attachment:NA
36	Marine/Coastal	Vessels/ barges operating during construction phase shall be equipped with spill response kits.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
37	Water Quality Monitoring And Preservation	The construction camps shall be kept outside the CRZ areas and the construction labour shall be provided with adequate amenities like drinking water, fuel, sanitation, etc. to ensure that the existing environmental condition is not deteriorated by them.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
38	Greenbelt	Topsoil excavated during construction activities shall be stored for use in horticultural / landscape development within the project site.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
39	Water Quality Monitoring And Preservation	Ready Mix Concrete should be used so far as possible. Water demand during construction should be reduced by use of curing agents, plasticizers, and other best practices.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
40	Air Quality Monitoring And Preservation	The Diesel Generator Set, if to be provided during the construction phase shall be of enclosed type and conforming to the EPA Rules for air and noise emission standards.	PPs Submission	Condition noted and will be complied with. Agreed to Comply

				25-05-2026 Attachment:NA
41	Noise Monitoring & Prevention	The overall noise level in and around the jetty area shall be kept well within the standards by providing noise control measures including engineering controls on all sources of noise generation. The ambient noise Level shall conform to the standards prescribed under The Environment (Protection) Act, 1986 and Rules.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
42	Air Quality Monitoring And Preservation	Vehicles hired for bringing construction material at site should be in good conditions and conform to applicable air and noise emission standards and should be operated only during non-peak hours.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
43	Statutory Compliance	Fly ash should be used as building material in the construction as per provisions of Fly Ash Notification under EPA.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
44	Water Quality Monitoring And Preservation	Total water requirement for the project shall not exceed 37.35 KLD and shall be met through municipal sources, via Narmada and through tankers and pipelines.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
45	Water Quality Monitoring And Preservation	No ground water shall be tapped in any case for the project requirements.	PPs Submission	Condition noted and will be complied with. Agreed to Comply

				25-05-2026 Attachment:NA
46	Water Quality Monitoring And Preservation	The water meter shall be installed, and records of monthly water consumption shall be maintained regularly.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
47	Water Quality Monitoring And Preservation	There shall be no generation of industrial wastewater.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
48	Water Quality Monitoring And Preservation	The domestic wastewater generation shall not exceed 31.74 KLD and it shall be treated in STP.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
49	Water Quality Monitoring And Preservation	There shall be no generation of Bilge water during operation phase as submitted before SEAC.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
50	Air Quality Monitoring And Preservation	Adequate stack height as per prevailing norms shall be provided for the flue gas emissions and flue gas emission shall conform to the norms prescribed by the GPCB at the stack outlet.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

51	Air Quality Monitoring And Preservation	Diesel to the tune of 12.54 Kl/day shall be used as a fuel in Four DG Set (2500, 630 630,280 KVA) and adequate stack height shall be provided as per the CPCB norms. Acoustic enclosure shall be provided to the DG sets to mitigate the noise pollution and conforming to the EPA Rules for air and noise emission standards.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
52	Air Quality Monitoring And Preservation	Adequate measures shall be taken to avoid Odor nuisance.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
53	Air Quality Monitoring And Preservation	The fugitive emission in the work zone environment shall be monitored. The emission shall conform to the standards prescribed by the concerned authorities from time to time (e.g Directors of industrial Safety and Health) Following indicative guidelines shall also be followed to reduce the fugitive emission. 1. Internal roads shall be either concreted or asphalted or paved properly to reduce the fugitive emission during vehicular movement. 2. Air borne dust shall be controlled with water sprinklers at suitable locations in the jetty premises. 3. A green belt shall be developed all around the jetty boundary and also along the roads to mitigate fugitive and transport dust emission.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

54	Air Quality Monitoring And Preservation	Regular monitoring of ground level concentration of PM10, PM2.5, SO2, NOx shall be carried out in the impact zone and its records shall be maintained Ambient air quality levels shall not exceed the standards stipulated by the GPCB. If at any stage these levels are found to exceed the prescribed limits, necessary additional control measures shall be taken immediately. The location of the stations and frequency of monitoring shall be decided in consultation with the GPCB.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
55	Waste Management	Bhavnagar port infrastructure Pvt. Ltd. shall strictly comply with the rules and regulations with regards to handling and disposal of Hazardous waste in accordance with the Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016, as may be amended from time to time. Authorization of the GPCB must be obtained for collection / treatment / storage / disposal of hazardous wastes and other wastes. 1. Type/Name of Hazardous Waste-Used oil, Specific Source of generation-Machinery, Category and Schedule as per HW Rules- 5.1, Quantity (MT/Annum)- 12, Management of HW-Collection, Storage, Transportation, Disposal by selling to Registered recycler.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
56	Waste Management	Authorized end-users shall have permissions from the concerned authorities under the Rule 9 of the Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

57	Waste Management	Necessary arrangements shall be made for safe disposal of municipal solid wastes as per the provisions of the Solid Wastes Management Rules, 2016 as amended from time to time and solid wastes shall not be released in marine water / coastal area in any case.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
58	Waste Management	Used oil shall be sold only to the registered recyclers.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
59	Waste Management	Any non-hazardous waste shall be disposed off as per the Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
60	Marine/Coastal	The approach channel shall be properly demarcated with lighted buoys for safe navigation and adequate traffic control guidelines shall be framed. The fishermen shall be suitably educated and informed about the traffic guidelines.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
61	Risk Mitigation And Disaster Management	Local Oil Spill Contingency and Disaster Management Plan shall be prepared in consonance with the National Oil Spill and Disaster Contingency Plan.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
62	Risk Mitigation And Disaster Management	Necessary emergency lighting system along with emergency	PPs Submission	Condition noted and will be complied

		power back up system shall be provided at the jetty.		with. Agreed to Comply 25-05-2026 Attachment:NA
63	Risk Mitigation And Disaster Management	Personal Protective Equipments (PPEs) shall be provided to workers and its usage shall be ensured and supervised.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
64	Risk Mitigation And Disaster Management	First Aid Boxes shall be provided in adequate quantity at strategic locations.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
65	Risk Mitigation And Disaster Management	Training shall be given to all workers on safety and health aspects of handling chemicals.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
66	Risk Mitigation And Disaster Management	The project management shall prepare a comprehensive Disaster Management Plan (DMP) for the project as per the guidelines from Directorate of industrial Safety and Health. Detailed DMP prepared shall be implemented to bring down risk involved hazards / accidents as low as reasonably practicable.	PPs Submission	Disaster Management Plan (DMP) prepared by BPIPL and attached herewith as Annexure-4. Partially Complied 25-05-2026 Attachment: Click to View
67	Statutory Compliance	Transportation of materials shall be as per the Motor	PPs Submission	Condition noted and will

		Vehicle Act and Rules.		be complied with. Agreed to Comply 25-05-2026 Attachment:NA
68	Risk Mitigation And Disaster Management	The project management shall ensure to comply with all the environment protection measures, risk mitigation measures and safeguards mentioned in the Disaster Management Plan (DMP).	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
69	Human Health Environment	Occupational health surveillance of the workers shall be done and its records shall be maintained. Pre-employment and periodical medical examination for all the workers shall be undertaken as per the prevailing norms.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
70	Statutory Compliance	PP shall obtain fire safety certificate / Fire No-Objection certificate (NOC) from the concern authority as per the prevailing Rules/ Gujarat Fire Prevention and Life Safety Measures Act 2016.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
71	Risk Mitigation And Disaster Management	PP shall carry out mock drill within the premises as per the prevailing guidelines of safety and display proper evacuation plan in the manufacturing area in case of any emergency or accident.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
72	Risk Mitigation And Disaster Management	PP shall install adequate fire hydrant system within premises and separate storage of water for the same shall be ensured by PP.	PPs Submission	Condition noted and will be complied with. Agreed to Comply

				25-05-2026 Attachment:NA
73	Statutory Compliance	PP shall take all the necessary steps for control of storage hazards within premises ensuring incompatibility of storage raw material and ensure the storage keeping safe distance as per the prevailing guidelines of the concerned authority.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
74	Risk Mitigation And Disaster Management	PP shall take all the necessary steps for human safety within premises to ensure that no any harm is caused to any worker/employee or labour within premises.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
75	Risk Mitigation And Disaster Management	Flame proof electrical fittings shall be provided in the Jetty premises, wherever applicable.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
76	Noise Monitoring & Prevention	The overall noise level in and around the Jetty area shall be kept well within the prescribed standards by providing noise control measures including acoustic insulation, hoods, silencers, enclosures vibration dampers etc. on all sources of noise generation. The ambient noise levels shall conform to the standards prescribed under the Environment (Protection) Act and Rules. Workplace noise levels for workers shall be as per the Factories Act and Rules.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

77	Waste Management	High pressure hose shall be used for cleaning / washing in order to reduce wastewater generation.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
78	Water Quality Monitoring And Preservation	The PP shall develop green belt of (7.36 ha) as submitted before SEAC Green belt shall be developed as avenue plantation with native plant species that are significant and used for the pollution abatement as per the CPCB guidelines.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
79	Greenbelt	Drip irrigation / low-volume, low-angle sprinkler system shall be used for the green belt development within the premises.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
80	Water Quality Monitoring And Preservation	All the natural flora and fauna, water courses and channels while developing the project, it should be seen that least damage are done to them and should be done under the supervision of GMB.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
81	Risk Mitigation And Disaster Management	In the event of failure of any pollution control system adopted by the unit, the unit shall be safely closed down and shall not be restarted until the desired efficiency of the control equipment has been achieved.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
82	Statutory Compliance	All the recommendations, EMP, mitigation measures, environmental protection	PPs Submission	Condition noted and will be complied

		measures and safeguards proposed in the EIA report of the project prepared by M/s Indomer Coastal Hydraulics (P) Ltd. and commitments made during presentation before SEAC and proposed in the EIA report shall be strictly adhered to in letter and spirit by Bhavnagar port infrastructure Pvt. Ltd.		with. Agreed to Comply 25-05-2026 Attachment:NA
83	Statutory Compliance	A separate budget shall be earmarked for environmental management and socio-economic activities including the greenbelt / mangrove plantation and details thereof shall be furnished to F and ED, SEIAA as well as MoEF, GoI. The details with respect to expenditure from this budget head shall also be furnished along with compliance report.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
84	Statutory Compliance	A separate environmental management cell with qualified personnel shall be created for environmental monitoring and management during construction and operational phases of the project.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
85	Marine/Coastal	The project shall be implemented in such a manner that there shall be no any hindrance to movement of fishing vessels or fishermen.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
86	Statutory Compliance	Bhavnagar Port Infrastructure Pvt. Ltd. shall bear the cost of the external agency that may be appointed by SEIAA or Forests and Environment Department (F and ED). Gujarat for supervision / monitoring of proposed activities and the environmental impacts of the proposed activities.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA

87	Statutory Compliance	Bhavnagar port infrastructure Pvt. Ltd. shall regularly submit the half-yearly compliance report on the conditions stipulated in hard and soft copies to the regulatory authorities concerned, on 1st June and 1st December of each calendar year.	PPs Submission	BPIPL is regularly submitting and uploading half-yearly EC compliance report to the regulatory authorities. Agreed to Comply 25-05-2026 Attachment:NA
88	Statutory Compliance	Any other condition that may be stipulated by the SEIAA / F and ED from time to time for environmental protection / management purpose shall have to be complied with by the Bhavnagar port infrastructure Pvt. Ltd.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
89	Statutory Compliance	The project authorities must strictly adhere to the stipulations made by the Gujarat Pollution Control Board (GPCB) State Government and any statutory authority.	PPs Submission	Condition noted and will be complied with. Agreed to Comply 25-05-2026 Attachment:NA
90	Statutory Compliance	No further expansion or modifications in the project likely to cause environmental impacts shall be carried out without obtaining prior Environment Clearance from the concerned authority.
